

## **Rest Now Thy Soul in Jesus' Hands**

Tune: St. Crispin

1. Rest now thy soul in Jesus' hands,  
Fear thou no longer in the strife;  
For Christ has broken sin's strong bands  
And by His death has giv'n thee life.

2. Rest now thy soul in Jesus' hands,  
Fear not nor tremble now, O heart!  
E'en now in heav'n thy Savior stands  
Before God's throne to plead our part.

3. Christ Jesus, Son of God Most High  
Came to our earth to live and die,  
O sinful man in thy low place,  
Thereby to ransom our lost race.

4. By His blest life and bitter death  
He perfectly fulfilled God's Law;  
And with His resurrection's breath  
He tore us from the grave's dread claw.

5. Then unto God did He ascend  
So that He might give gifts to men:  
His Spirit and His holy Word,  
That He might e-ver be our Lord.

6. Glory to God, the Father, Son,  
And Holy Spirit, Three in One!  
Praise be forever unto Thee,  
Most holy, bless-ed Trinity!
